HECTIC MORNINGS ARE HARD

AsaPace

Counts back from your leave time, so you know what to do now.

Every morning, getting ready feels rushed. It is hard to know what to do next and how much time is left.

- Morning rush is a small problem we face every day
- We lose track of time while getting ready
- Idea: count back from the time you leave home

02

How AsaPace works

Set your leave time and your tasks. Press Start, and AsaPace guides you step by step.

- Big countdown shows the time until you leave
- Task list: get dressed, breakfast, teeth, bag, shoes
- Press Done! to move on, or Skip a task
- A comment and face show if you are ahead or behind

03

A calmer morning

A small tool can make each morning a little easier. You can see your pace and change your plan.

- Add, delete, or change tasks and minutes
- Your settings are saved on your device
- Fast demo mode and English/Japanese switch
- Next: more ideas to make mornings even easier
